During the course of my employment with the FBI, I have received specialized training in the investigation and prosecution of white collar crimes. Since August 1995, I have been assigned to the investigation of financial crimes and various fraudulent schemes, among other offenses.
2. I submit this affidavit in connection with the sentencing of Michael W. Alcott ("Alcott"), the defendant in United States v. Michael W. Alcott, 04-cr-10286-PBS. The information set forth in this affidavit is based on my personal knowledge.

3. On May 12, 2005, I, along with other agents of the FBI, executed a search warrant on Alcott's residence at 4 Jason's Lane, Scituate, Massachusetts. Among the items seized was a desktop computer.

At that time, Mary Alcott informed me that she had obtained a blue "Town of Scituate" trash bag from Alcott's son, Richard Alcott. Mary then provided me the trash bag and its contents. Attached hereto at Tab A is a copy of my report documenting that conversation with Mary.
5. I have kept custody of the trash bag and its contents since May 20, 2005. On or about March 8, 2006, I brought the trash bag and all of its contents to the United States Attorney's Office in Boston, Massachusetts and made the contents available to Alcott's counsel for his review.
6. Included within the trash bag were a number of items. I have attached to this affidavit copies and photographs of some, but not all, of the items that were contained in the trash bag.
7. Attached at Tab B is a copy of an unsigned letter to "Mary" dated April 29, 2005.
8. Attached at Tab C is a copy of an unsigned e-mail to "Sweetie" dated April 29, 2005.

9. Attached at Tab D is a copy of a folder and its contents of a file titled "Paul Webber" with various identification-related documents, including an e-mail message from "fakeidguru.com."
10. Attached at Tab E are copies of various casino gambling cards found in the trash bag.
11. Attached at Tab F is a copy of a business card from an oncology social worker at Massachusetts General Hospital.
12. Attached at Tab G are copies of informational brochures on prostate cancer.
